

PA PFAS Multi-site Study Townhall Meeting

September 16, 2026: 6:30-8:00 pm
Hatboro-Horsham High School Auditorium

PA PFAS Health Study Save the Date

Please join us for a community update and discussion about the PA PFAS Health Study.

At this event, senior researchers and community partners will share key findings from the study, discuss what they mean for local families, and talk about next steps. There will also be time for questions, discussion, and community input.

Featured Researchers

- **Linda Brown, MPH, DrPH** — Study Director, PA PFAS Health Study, RTI International
- **Resa M. Jones, MPH, PhD** — Co-Investigator, Temple University
- **Robin Taylor Wilson, MA, PhD** — Co-Investigator, Temple University

Featured Community Partners

- **Hope Grosse** — Buxmont Coalition for Safer Water
- **Joanne Stanton** — Buxmont Coalition for Safer Water

We hope you will join us for this important conversation and share your questions, perspectives, and experiences as we work together to support transparency, learning, and healthier communities.
