## The Coos Bay – North Bend Water Board is looking for the right person to fill an immediate opening for a **Utility Worker position**

This important position is the first step in a career-path that has potential for further advancement both within the Water Board and the water industry in general.

**As a Utility Worker you will obtain knowledge of how a water distribution system functions and why it is essential in serving the needs of our communities.**

In this position you will have the opportunity to:

- Gain an understanding how to operate and maintain the water distribution system. This includes learning about pumps, storage tanks, piping, and wells.
- Learn how to construct and install water distribution system components such as water mains, water services, valves, and fire hydrants.
- Train in the operations of powered equipment such as backhoes, cranes, tapping machines, and boring machines.
- Work as an important and valued team member.
- Interact with and serve members of your community.

The minimum requirements of the position are:

- High School diploma or equivalent
- Ability to obtain an Oregon Class A Commercial Driver License within six months of appointment (paid for by the Water Board)
- Ability to obtain Oregon Health Authority Distribution Level 1 certification within two years of appointment (paid for by the Water Board)

**The Utility Worker position wage range is \$19.89 - \$29.12 and includes a generous benefits package.**

First consideration of applications: September 23, 2022- position open until filled.

**Download an employment application from our website at [www.cbnbh2o.com](http://www.cbnbh2o.com).**

Applications should be emailed to Karen Parker at [karen\\_parker@cnbh2o.com](mailto:karen_parker@cnbh2o.com)
