

**TOWN OF NORTH HERO
CIVIL ORDINANCE**

**PROHIBITING THE DISPOSAL OF SOLID WASTE
THROUGH OPEN BURNING AND INCINERATION**

WHEREAS, the Town of North Hero has, by virtue of the authority granted in 24 V.S.A. 1971 (Title 24, Chapter 59, Section 1971), and 24 V.S.A. 2202a(a) (Title 24, Chapter 61, Subchapter 8, Section 2202a), the power to adopt, amend, repeal, and enforce ordinances, and to manage and regulate the solid waste disposal within its boundaries; and

WHEREAS, the Town of North Hero has determined that disposal of solid waste through open burning and incineration practices prohibited by this Ordinance constitute public nuisances, and the Town of North Hero has the authority to regulate and prohibit such practices by virtue of the authority granted in 24 V.S.A. 2291 (14) (Title 24, Part 2, Chapter 61, Subchapter 11, Section 2291);

NOW, THEREFORE, to protect public health and safety and to promote the responsible use of resources and protection of the environment, the Selectboard of the Town of North Hero hereby adopts this ordinance to regulate the open burning and incineration of solid waste in the Town of North Hero, Vermont.

**Article I
Purpose; Title**

- Purpose: This ordinance is enacted to promote the health, safety and general welfare of the inhabitants of the Town of North Hero and to prohibit Solid Waste disposal practices that pose a danger to the public health and welfare and the environment or constitute a public nuisance.
- Title: This ordinance shall be known and may be cited as the "Ordinance Prohibiting the Disposal of Solid Waste Through Open Burning and Incineration".

**Article II
Definitions**

- (a) "Construction/Demolition Debris" means materials resulting from construction, demolition, or renovation of buildings, roads, bridges and other structures in the Town of North Hero.
- (b) "Incineration" means any burning in an enclosed container, such as a furnace, stove, incinerator or similar device.

- (c) "Hazardous Waste" means waste that is identified as hazardous in, and regulated by, the Vermont Hazardous Waste Management Regulations including, but not limited to, waste that contains toxic, corrosive, reactive, explosive, or flammable ingredients.
- (d) "Natural wood" means any of the following, provided such material has not been treated or injected with preservatives or oil; or has, at any time, been painted, stained or glued:
1. trees and brush, including logs, boles, trunks, branches, limbs, roots, and stumps;
 2. lumber, including timber, logs, dimensional lumber or slabs dressed for use;
 3. pallets and skids

This definition does **not** include processed wood products such as plywood, particle board, fiber board, and press board.

- (e) "Non-woody vegetation" means leaves, grass, yard trimmings, and other organic materials.
- (f) "Open burning" means any burning in the open or in an open container, including but not limited to a brush pile or a burn barrel, where the products of combustion are emitted directly into the atmosphere without passing through a stack, chimney or other enclosure.
- (g) "Recyclable" means any type of refuse designated by the Town of North Hero or by the local solid waste management district to be separated for recycling.
- (h) "Solid Waste" means any garbage, refuse, hazardous waste or other solid materials generated by normal residential, commercial, industrial, and community activities. This definition does not include natural wood and non-woody vegetation, as defined in this Article. For the purposes of this ordinance, non-solid wastes including but not limited to septage, sludge and animal manure are excluded from the definition of solid waste.

Article III
OPEN BURNING AND INCINERATION

- (a) Unless a permit is obtained pursuant to this ordinance, the disposal of solid waste through open burning or incineration is prohibited in the Town of North Hero.
- (b) Prior to open burning or incineration, a Permit to Kindle Fire shall be obtained from the Town Forest Fire Warden. Such a permit may only be issued for the following types of open burning or incineration:
 - 1. The open burning of Natural wood and Non-woody vegetation resulting from yard or property maintenance, logging and clearing operations, agricultural improvements, forest or wildlife management, or for festive celebrations.
 - 2. After providing the required notice to the Vermont Department of Environmental Conservation, the burning of solid or liquid fuels, or structures for bona fide fire training provided that materials other than natural wood are removed to the greatest extent possible prior to the training.
 - 3. With the prior approval in the form of a Department of Environmental Conservation Burn Permit, the open burning of construction or demolition materials and commercial wastes such as pallets and skids. These materials and wastes can only be "Natural wood" items.
 - 4. With the prior approval of the Department of Environmental Conservation, burning authorized by the Selectboard of North Hero for the protection of public health or to thwart a hazard.
